

TIPTREE PET HOTEL NEWSLETTER

SPRING 2011

New Tiptree Pet Hotel Newsletter

Hello and a Warm Welcome to our new Tiptree Pet Hotel Newsletter.

Firstly we would both like to say a big thank you to all of our loyal customers for their continued business. We give our good wishes also to those of you that have now moved out of the area or overseas and wish you luck in your new ventures. Also we give our thoughts to those that have lost their precious pets to rainbow bridge....they will always remain in your hearts..

With the economic climate and terrible weather we have had to endure like so many other businesses, we felt the knock on effect but hopefully as a country we will see some sort of recovery this year. Unfortunately due to the escalating prices we have had to put into place a small increase in our prices, which in fact is the first increase for 18 months. Once again we thank all of you that have supported us during this time.

Spring is in the air

As I write this, the flowers and plants are budding, the lambs are in the fields and the birds are singing and gathering for their nests, so hopefully the dreadful bad winter is behind us and spring is on its way.

We know people are starting to think about their spring/easter vacations as well as the summer ones as our phone has been ringing quiet cheerfully throughout the days, so may we take this opportunity to remind you not to leave it too late to book your pets next stay with us. We do enjoy listening to your holiday adventures when you get backfrom

cruising in the Caribbean to sunbathing in the canaries, skiing in the alps or a short break just to get away from it all but most of all we really enjoy caring for your much treasured pets whilst they are on their holiday with us ..

Pet Products

We have decided to branch out a little by setting up a small selection of pet products eg dog/cat food, toys, treats, leads, for our customers to purchase if they wish.

Chantique Collies

Several customers have been asking how we have been doing with our beautiful Chantique Rough Collies at the shows. We have only been to three shows this year so far and are pleased to say that Tommy, our import dog from Serbia won Best in Show at the Lancashire & Cheshire Collie Club Show and our little puppy Tinkerbelle qualified for Crufts 2012 at her first championship show. We also attended Crufts where our dog Dougal and dogs that we have bred but owned by others had some excellent results so we were very pleased.

Pets that have stayed with us

Now that the weather is so much nicer we have taken some photos of some of your beloved pets that have stayed with us over the last few months...hope you enjoy them.

Stay In Touch

Don't forget to keep us close to you by putting our [Tiptree Pet Hotel](#) website in your
